April 9, 2026

Dear Community Member,

Support from community members like you has made it possible for Herman Park to become the beautiful park that it is now. The 126-acre park includes tennis, pickleball, disc golf, fishing, soccer fields, pump track, dog park, and a paved trail. We are excited to share that now we are developing a **universally-accessible playground** for children of all ages and abilities to enhance our park's recreational opportunities!

This will be a one-of-a-kind playground in our county, giving families with infants to teens a place to connect and play. The playground's universal design includes various elements of play that promote child development and physical activity for children of all abilities. The playground's farm theme will honor Herman Park's history in our farming community. Take a look at the Suttons Bay Parks website for the playground design and project updates:
www.suttonsbayparks.org

Through grants and township funding, we are already over halfway to reaching our goal of \$350,000 to turn our dream playground into reality. We are now **launching our capital campaign** to begin construction as soon as we reach our goal. Would you please consider a donation to Friends of Herman Park to support our community playground? Donations of *any* amount will help us build the playground. Donors of \$2,500 or more will be recognized on a plaque at the playground for their contribution.

Friends of Herman Park is a 501(c)(3) non-profit corporation; donations are tax-deductible. Donations can be made via check to: Friends of Herman Park, PO Box 55, Suttons Bay, MI 49682 or by visiting our secure, online donation platform through Zeffy (QR Code below).

We can't do this without you. Your support is greatly appreciated by Friends of Herman Park and the children and families in our community.

Sincerely,

Friends of Herman Park &
Suttons Bay Twp. Parks & Recreation
