

The Suttons Bay Township Parks and Recreation Committee is updating its Five-Year Community Park, Recreation and Open Space Plan for 2024 to 2028. To better serve the needs of the community and to be able to prioritize these needs please take a community survey.

It is important that all local, and surrounding community members, summer residents and visitors provide responses so these groups are represented in the planning process. It is especially important for all family members (adults and children) to each complete a survey so that all age groups are represented.

You can access the survey by scanning the QR Code, accessing through the computer link (<https://forms.gle/SBCCxiMea7xRdLE98>), printing out a version from link on the left, or by getting a paper copy available at the township office, Suttons Bay / Bingham Public Library, or at the Suttons Bay Village office. The survey will be available from August through October 15, 2023.

Any personal information requested is optional but if provided will be used for demographic purposes only and will not be shared with any other entity. If you complete the survey online or via the QR Code, the results will be forwarded to us. If you complete the paper copy, please drop it off at the township office (after hours drop box available) or mail it to:

Suttons Bay Township Parks & Rec
95 W Fourth St.
PO Box 457
Suttons Bay, MI 49682

You may also contact the township office at (231) 271-2772.
