

HERMAN PARK 2019 PICKLEBALL SCHEDULE

(Endorsed by Suttons Bay Township Parks & Recreation)

Welcome to the Herman Park pickleball courts! It took our community a few years and lots of hard work to raise the funds for these beautiful courts and we hope you enjoy them.

If you are unsure of your skill level, please ask an advanced player to give you an opinion. If you're worried that you're not good enough for intermediate or advanced play, it may be a good idea to observe for a while before asking to join in. We want everyone to enjoy the courts and the play. Playing with similar skill levels is the best way to do that. We have also posted **Skill Level Definitions below**.

** During **Skill Level** drop in play, you should expect to rotate in equally with other players of the appropriate skill level.

** During **Open Court** time, courts are available on a first-come, first serve basis. As a courtesy, please limit play to 1.5 hours if others are waiting.

** During **Reserved Play**, the players who have reserved the courts have priority. If no reservations exist or courts are not claimed by 15 minutes past the start time of a reservation, courts become first-come, first-serve.
